

## **RANDY O'BRIEN**

Founder & Managing Partner of CES

---

Randy O'Brien is the founder and Managing Partner of Corporate and Endowment Solutions, Inc. (CES) and CES Administration (CESA).

In addition to more than 40 years of experience in the life insurance and corporate specialty markets, Randy and his team built a unique end-to-end accumulation solution for qualifying independent contractors, small business owners, and professionals from specialty surgeons to professional athletes.

This innovative platform provides access to high early liquid alternative Corporate Institutional Products with CES pioneering access for individual ownership. The plans are reported through CES Administration, providing daily access to account and cash surrender values, sub-account investment options, historical data, and underlying product expense management.

CES works across multiple distribution channels within the industry and is headquartered in Springfield, Illinois.
